

IIMAK Products UL Recognition Information

Ribbon, label and adhesive in combination are recognized. UL recognitions are typically held by the label manufacturers

Step 1:

You must know:

- Label manufacturer, brand or spec number
- Adhesive spec number
- Ribbon brand

Step 2:

- Visit www.ul.com
- Click on "Certifications"
- Enter in the UL File Number (noted below) and "Search"
- Select the appropriate "Printing Materials – Component"
- Find your label stock and adhesive (in MS Explorer, Edit/Find)
- Then check which printer/ink combinations are accepted.
- For assistance, call IIMAK Tech Support 888.372.0137 or your label manufacturer directly.
